

The Ultimate

Pool Water Treatment

Powerful Algaecide - Strong Water Clarifier - Chlorine Booster

Chlorine
Salt Cell
and
Non-Chlorine
Pools

- Continuous prevention of green, yellow and black algae. *Kills most algae in 4 to 24 hours.*
- Creates ultra-clear pool water.
- Boosts chlorine's effectiveness up to 6X.
- Reduces chlorine use by 25% to 65% and more.
- Improves salt cell's chlorine output and effectiveness.
- Effective even at excessive phosphate levels - above 2,500 ppb.

Superior results when compared to sodium bromide, copper, silver, enzyme and phosphate remover treatments.

Only 4 oz (120 ml) per week
per 10,000 gallons (40,000 litres)
